I/We certify that the content of the manuscript must be the author's own, and it has not been copied from other previously published works. I/we certify that all the data collected during the study are presented in this manuscript and no data from the study has been or will be published separately. I/we attest that, if requested by the editors, I/we will provide the data/information or will cooperate fully in obtaining and providing the data/information on which the manuscript is based.

I/we believe the manuscript represents valid work. Each author confirms they meet the criteria for authorship as established by the International Committee of Medical Journal Editors (ICMJE)

I/We hereby transfer(s), assign(s), or otherwise convey(s) copyright ownership to the Journal, which is an **Open-access journal**. If the Journal publishes that work, all content of the work is freely available without charge to the user or his/her institution. Users are allowed to read, download, copy, distribute, print, search, or link to the full texts of the article, or use them for any other lawful purpose, without asking prior permission from the publisher or the author, and the work will be an open-access article distributed under the terms and conditions of the Creative Commons Attribution (CC BY-SA) license. This license lets others remix, tweak, and build upon this work, even for commercial purposes.

The journal gives the rights to the corresponding author to make necessary changes as per the request of the journal, do the rest of the correspondence on our behalf, and he/she will act as the guarantor for the manuscript on our behalf.

All persons who have made substantial contributions to the work reported in the manuscript, but who are not contributors, are named in the Acknowledgment and have given me/us their written permission to be named. If I/we do not include an Acknowledgment, that means I/we have not received substantial contributions from non-contributors, and no contributor has been omitted.
